Note about Unduplication of Data
<p><i>Data on students experiencing homelessness are un-duplicated at the State level, meaning that a student who was enrolled in multiple school districts during the school year is counted only once in the spreadsheet. Duplicate counts were handled according to the following business rules:</i></p>
<ul style="list-style-type: none"> <li>· <i>If two districts reported a student as enrolled, the district with the homeless flag is attributed the student;</i></li> </ul>
<ul style="list-style-type: none"> <li>· <i>If two districts reported a student as enrolled and both flagged the student as homeless, the district that served the student with McKinney-Vento Grant funds is attributed the student;</i></li> </ul>
<ul style="list-style-type: none"> <li>· <i>If two districts reported a student as enrolled, both flagged the student as homeless, and both served the student with McKinney-Vento Grant funds, the district where the student was enrolled last during the school year is attributed the student.</i></li> </ul>
