DATE: September 7, 2017

AUTHORIZATION(S): 

SUMMARY

Issue for Decision

Should the Board of Regents adopt, as an emergency action, the proposed amendment to section 100.2(x) of the Regulations of the Commissioner of Education to implement the provisions of McKinney-Vento Homeless Assistance Act for the education of homeless children and youths, as amended by the Every Student Succeeds Act of 2015 (ESSA)?

Reason(s) for Consideration

Required by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. section 11431 et seq.), as amended by Title IX of the ESSA of 2015 (Public Law 114-95) and Part C of Chapter 56 of the Laws of 2017.

Proposed Handling

The proposed rule is being presented to the P-12 Education Committee for adoption as a second emergency rule at the September 2017 Regents meeting. A copy of the proposed amendment is included as Attachment A.

Procedural History

A Notice of Emergency Adoption and Proposed Rule Making was published in the State Register on May 24, 2017. Following the 45-day public comment period required under the State Administrative Procedure Act, the Department received no comments on the proposed amendment, however, the Department has made one substantive amendment to the regulation, which will require that the regulation be re-published in the State Register for a 30-day public comment period. A Notice of Emergency Adoption and Revised Rule Making will be published in the State Register on October 4, 2017. A Statement of Facts and Circumstances Justifying the Emergency Adoption is included as Attachment B. Supporting materials are available upon request from the Secretary to the Board of Regents.

Background Information

The Education for Homeless Children and Youth program is administered under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) (“McKinney-Vento”), which was originally authorized in 1987 and most recently re-authorized in December 2015 by ESSA. Under McKinney-Vento, State educational agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youths.

Several changes were made to the McKinney-Vento Act as a result of ESSA, including, but not be limited to:

1. Removes “awaiting foster care placement” from the definition of homeless as of December 10, 2016;
2. Expands the definition of “school of origin” to include preschool and feeder schools;
3. Requires continued enrollment and transportation during any enrollment dispute pending final resolution of the dispute, including all available appeals;
4. Expands transportation to the school of origin through the remainder of the school year in which the student becomes permanently housed;
5. Requires that all State educational agencies (SEAs) and local educational agencies (LEAs) have policies to remove barriers to identification, enrollment and retention of children and youth who are homeless, including barriers to enrollment and retention due to outstanding fees or fines or absences;
6. Requires SEAs to have procedures that ensure that students who are homeless and who meet the relevant eligibility criteria do not face barriers to accessing academic and extra-curricular activities, including magnet schools, summer school, career and technical education, advanced placement courses, online learning and charter schools;

7. Requires that the State Plan describe how youth who are homeless will receive assistance from counselors to advise such youth and improve their readiness for college;
8. Requires that the State Plan ensure appropriate access to secondary education, including procedures to remove barriers that prevent youth from receiving appropriate for full or partial coursework completed while attending a prior school;
9. Requires LEAs to immediately enroll children and youth who are homeless even if they have missed application or enrollment deadlines during any period of homelessness;
10. Allows LEA liaisons to refer students and their families to needed housing services and to affirm eligibility for students and their families for homeless assistance programs funded by the United States Department of Housing and Urban Development if the liaison has received training; and
11. Requires that information about a homeless child's living situation (e.g., homeless status, temporary address) be treated as a student education record and not be deemed to be directory information.

In general, while SEAs and LEAs were required to begin implementing the new requirements by October 1, 2016, unless otherwise noted above, states are not required to submit State plans that conform to all of the new ESSA provisions until September 2017. In September 2016, the Department issued guidance to the field regarding implementation of the changes to McKinney-Vento (<http://www.p12.nysed.gov/accountability/homeless/docs/MVESSAFMEMO.pdf>).

In order to conform State law to the ESSA-related changes in McKinney-Vento, the Legislature and the Governor passed Part C of Chapter 56 of the Laws of 2017 amending Education Law §3209.

The proposed amendment to the Commissioner's regulations conforms to the new federal and State statutory provisions by revising the definitions section of the regulation to:

- a. Define feeder school and receiving school;
- b. Eliminate "awaiting foster care placement" from the definition of homeless child as of December 10, 2016;
- c. Define preschool; and
- d. Define school of origin to include feeder schools and preschools.

To be consistent with the recent McKinney-Vento changes, the proposed amendment allows the parent or guardian, or in the case of an unaccompanied youth, the youth (known as the designator) to make the initial designation of the school district and school he/she wants his/her child to attend and upon receipt of such designation, the school district will be required to determine whether the designation made by the designator is consistent with the best interests of the homeless child or youth.

In determining a homeless child's best interest, the school district must presume that keeping the homeless child or youth in the school of origin is in the child's or youth's best interest, except when doing so is contrary to the request of the designator.

When making a best interest determination, the school district must consider student-centered factors, including but not limited to factors related to the impact of mobility on achievement, education, the health and safety of the homeless child, giving priority to the request of the child's or youth's parent or guardian or the youth in the case of an unaccompanied youth.

If after considering student-centered factors, the LEA determines that it is not in the homeless child's best interest to attend the school of origin or the school designated by the designator, the local educational agency must provide a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth. The information must also include information regarding the right to a timely appeal. The homeless child or youth must be enrolled in the school in which enrollment is sought by the designator during the pendency of all available appeals.

To conform to the new federal changes, the proposed amendment also requires the designated school district to immediately enroll the homeless child even if the child or youth is unable to produce records of immunization and/or other required health records and/or even if the child has missed application or enrollment deadlines during any period of homelessness, if applicable. However, the amendment does not require the immediate attendance of an enrolled student lawfully excluded from school temporarily pursuant to Education Law §906 because of a communicable or infectious disease that imposes a significant risk to others.

The proposed amendment also requires that a student be allowed to maintain enrollment in the same school for the duration of homelessness, through the remainder of the school year in which the student becomes permanently housed, and possibly one additional year if it is the terminal grade for the student in that school.

The proposed amendment further requires that local departments of social services give completed designation forms to school districts and eliminates the requirement that school districts submit designation forms to the New York State Education Department (NYSED or "the Department") for all students identified as homeless, only those for whom the district is seeking tuition reimbursement (which is consistent with current practice).

The proposed amendment also makes the following revisions to the transportation provisions:

- a. Clarifies that transportation beyond 50 miles is subject to a best interest determination using the same factors that school districts must use in reviewing school designations; and

- b. Requires transportation to the school of origin, which includes preschool, through the remainder of the school year in which the student becomes permanently housed and for one additional year if it is the student's terminal year in the school.

The provisions relating to the responsibilities of LEAs is also revised to:

- a. Require continued enrollment and transportation during any enrollment dispute pending final resolution of all available appeals, including those commenced pursuant to Education Law §310 (i.e., elimination of the stay provision);
- b. Ensure that homeless children are provided with services comparable to services offered to other students in the designated district of attendance including preschool and other educational programs or services for which a homeless student meets the eligibility criteria, such as programs for students with disabilities, English language learners, after-school programs, school nutrition programs and transportation, career and technical education, and programs for gifted and talented students, and to the extent such child or youth is eligible, services under ESSA;
- c. Include the updated LEA McKinney-Vento Liaison responsibilities in ESSA; and
- d. Require that information about a homeless child's living situation (e.g., homeless status, temporary address) be treated as a student education record and not be deemed to be directory information.

After publication in the State Register and the 45-day public comment period required under the State Administrative Procedure Act, the Department made the following one substantive change to the regulation that was adopted by the Board of Regents at its May meeting:

One of the McKinney-Vento liaison responsibilities was inadvertently left out of the list in section 100.2(x)(7)(iii)(a). Under McKinney-Vento, the liaison must ensure that "the parents or guardians of homeless children and youths are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children" (42 USC 11432(g)(6)(A)(v)). The proposed amendment has been amended to conform to the federal law and include this responsibility.

(iii) Where the school district in which a homeless child is temporarily housed is the [same district the child attended on a tuition-free basis or was entitled to attend when circumstances arose which caused the child to become homeless] school district of origin, the child shall be entitled to attend the schools of such district without the payment of tuition for the duration of homelessness and until the end of the school year in which such child becomes permanently housed and for one additional year if that year constitutes the child's terminal year in such building, subject to a best interest determination in accordance with subparagraph (iii) of paragraph (4) of this subdivision. In lieu of attending the school serving the attendance zone in which the child is temporarily relocated, such child may choose to remain in the [public] school building he or she previously attended for the duration of homeless and until the end of the school year in which such child becomes permanently housed and for one additional year if that year constitutes the child's terminal year in such building.

[(iii)] (iv) A homeless child who designates the school district of current location as the district of attendance and who relocates to another temporary housing arrangement

outside of such district, or to a different attendance zone or community school district within such district, shall be entitled [to maintain the prior designation] to continue attendance in the same school building [until the end of the school year and for one additional year if the year constitutes the child's terminal year in such building] or designate any school that nonhomeless children and youth who live in the attendance area in which the child or youth is actually living are eligible to attend, including a preschool, subject to a best interest determination in accordance with subparagraph (iii) of paragraph (4) of this subdivision, for the duration of homeless and until the end of the school year in which such child becomes permanently housed and for one additional year if that year constitutes the child's terminal year in such building.

[(iv)] (v) Where the school district of origin [public school or school district] that a homeless child was attending on a tuition-free basis or was entitled to attend when circumstances arose which caused the child to become homeless is located [outside the] in the State, [the homeless child shall be deemed a resident of the school district in which the child is temporarily located and shall be entitled to attend the schools of such district without payment of tuition. Such district of residence shall not be considered the school district of origin or the school district of current location for purposes of this section.] and the homeless child's temporary housing arrangement is located in a contiguous state, the homeless child shall be entitled to attend the school of origin or any school that nonhomeless children and youth who live in the attendance area in which the child or youth is actually living are eligible to attend, including a preschool, subject to a best interest determination in accordance with subparagraph (iii) of paragraph (4) of this subdivision, for the duration of the homelessness and until the end of the school year in

which such child becomes permanently housed and for one additional year if that year constitutes the child's terminal year in such building.

[(v)](vi) [Whenever the school district of origin is designated, the child shall be entitled to return to the school building where previously enrolled. Whenever the school district of current location is designated, the child shall be entitled to attend the school that is zoned for his or her temporary location or any school that nonhomeless students who live in the same attendance zone in which the homeless child or youth is temporarily residing are entitled to attend.] Where the child's temporary housing arrangement is located in New York State, the homeless child shall be entitled to attend the school of origin or any school that nonhomeless children and youth who live in the attendance area in which the child or youth is actually living are eligible to attend, including preschool, subject to a best interest determination in accordance with subparagraph (iii) of paragraph (4) of this subdivision, for the duration of the homelessness and until the end of the school year in which such child becomes permanently housed and for one additional year if that year constitutes the child's terminal year in such building.

[(vi)] (vii) Prior to the end of the first semester of attendance or within 60 days of commencing attendance at a school pursuant to the designation made in accordance with this subdivision whichever occurs later, the designator may change the designation if the designator finds the original designation to be educationally unsound.

(3) (i) A designation form provided by the commissioner shall be completed by the [appropriate] designator as defined in subparagraph [(1)(ii)] (i) of paragraph (1) of this subdivision. Such form shall be completed in full. All school districts, temporary housing facilities operated or approved by a local social services district, and residential facilities

for runaway and homeless youth shall make such forms available to a homeless child who seeks admission to school or to the parent or person in parental relation who seeks to enroll such child in school and shall ensure that the completed designation forms are given to the local educational agency McKinney-Vento liaison for the local educational agency in which the designated school is located immediately, but no later than two business days from the earlier of the date on which the child or youth either:

(a) sought enrollment in school; or

(b) was placed in a temporary housing facility or residential facility for runaway and homeless youth.

(ii) Where the homeless child is located in a temporary housing facility operated or approved by a local social services district or a residential facility for runaway and homeless youth, the director of the facility or a person designated by the social services districts, shall[, within two business days of entry into such facilities,] assist the designator to ensure that the form is properly completed and assist the child, where necessary, to enroll in the designated school [district] and shall forward the completed designation form to the local educational agency McKinney-Vento liaison for the local educational agency in which the designated school is located immediately, but no later than two business days of entry into such facilities.

[(ii) Where a parent or person in parental relation or a child who is neither placed in a temporary housing facility by the local department of social services nor housed in a residential program for runaway homeless youth established pursuant to Article 19-H of the Executive Law, designates the school district of current location, the school district shall forward to the department a completed designation form and a statement of the

(i) review the designation form to assure that it has been completed;

(ii) admit the homeless child even if the child or youth is unable to produce records normally required for enrollment, such as previous academic records, [medical records], records of immunization and/or other required health records, proof of residency or other documentation and/or even if the child has missed application or enrollment deadlines during any period of homelessness, if applicable. Provided that if a child or youth seeks enrollment in a charter school or preschool and the lottery application deadline for seats in such school or program has passed but the lottery has not yet been held, such child or youth should be entered into the lottery. If the lottery has been held, such child or youth should be placed on the school's waitlist, if one exists, comparable to other students in the district and consistent with any applicable laws, regulations or policies. Provided further that nothing herein shall be construed to require the immediate attendance of an enrolled student lawfully excluded from school temporarily pursuant to Education Law section 906 because of a communicable or infectious disease that imposes a significant risk of infection of others;

(iii) determine whether the designation made by the designator is consistent with the best interests of the homeless child or youth. In determining a homeless child's best interest, a local educational agency shall:

(a) presume that keeping the homeless child or youth in the school of origin is in the child's or youth's best interest, except when doing so is contrary to the request of the child's parent or guardian, or in the case of an unaccompanied youth, the youth;

(b) consider student-centered factors, including but not limited to factors related to the impact of mobility on achievement, education, the health and safety of the homeless child, giving priority to the request of the child's or youth's parent or guardian or the youth in the case of an unaccompanied youth;

(c) if after considering student-centered factors and conducting a best interest school placement determination, the local educational agency determines that it is not in the homeless child's best interest to attend the school of origin or the school designated by the designator, the local educational agency must provide a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth. The information must also include information regarding the right to a timely appeal in accordance with clause (b) of subparagraph (ii) of paragraph (7) of this subdivision. The homeless child or youth must be enrolled in the school in which enrollment is sought by the designator during the pendency of all available appeals.

[(iii)] (iv) provide the child with access to all of its programs, activities and services to the same extent as they are provided to resident students;

[(iv)] (v) immediately contact the school district where the child's records are located for a copy of such records and coordinate the transmittal of records for students with disabilities consistent with section 200.4(e)(8)(iii) of this Title;

[(v)] (vi) if the child or youth needs to obtain immunizations or immunization or medical records, the school admitting such child or youth shall immediately refer the parent or guardian of the homeless child or youth to the local educational agency McKinney-Vento liaison designated under subparagraph [(7)](iii) of paragraph (7) of this subdivision who shall assist in obtaining necessary immunizations, screenings, or immunization or medical records in accordance with section 42 U.S.C. section 11432(g)(3)(C) and (D) ([Public Law 107-110, title X, section 1032, 115 STAT. 1998] Every Student Succeeds Act of 2015, 20 U.S.C. section 6399(2), (Public Law 114-95, title ix, section 9302, 129 STAT. 1802; Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402-9328; [2002] 2015; available at the Office of Counsel, State Education Building, Room 148, Albany, NY 12234); and

[(vi)] (vii) forward a copy of the designation form to [the commissioner, and] the school district of origin, where applicable.

(viii) arrange for transportation pursuant to Education Law section 3209(4) and paragraph 6 of this subdivision; provided, however, that where the school of origin is a charter school, the school district designated pursuant to this section shall be deemed to be the school district of residence of such child for purposes of fiscal and programmatic responsibility under Article 56 of the Education Law and shall be responsible for transportation of the homeless child if a social services district is not otherwise responsible; and

(ix) arrange for free school meals pursuant to the Richard B. Russell National School Lunch Act, 42 U.S.C. section 1758(b).

(5) Within five days of the receipt of a request for school records, the school district shall forward a complete copy of the homeless child's records including, but not limited to, proof of age, academic records, evaluations, immunization or medical records, and guardianship papers, if applicable.

(6) Transportation for any homeless child or youth shall be provided in accordance with this paragraph. Any homeless child not entitled to receive transportation pursuant to Education Law, section 3209(4) from a social services district [the Department of Social Services or from the Division for Youth, to the extent funds are provided for such purpose as determined by the Director of the Budget,] shall be transported by the designated school district of attendance consistent with this paragraph.

(i) The designated school district of attendance shall immediately provide or arrange in the most cost-effective manner for transportation to and from the child's temporary housing location and the school the child legally attends consistent with subparagraphs (ii) through (vi) below.

(ii) Where such transportation is in excess of 50 miles one way, such transportation shall only be provided where the commissioner certifies that such transportation is in the best interest of the child in accordance with subparagraph (iii) of paragraph (4) of this subdivision to the extent applicable, on a form and timeline prescribed by the commissioner.

(iii) Where a homeless child designates the school district of current location as the district the child will attend and such child does not attend the school of origin, such district shall provide transportation to such child on the same basis provided to resident students.

(iv) [If] Where a homeless child [chooses to continue attendance in the public school building where he or she previously attended pursuant to subparagraph (2)(ii) or (iii) of this subdivision] attends the school of origin, the designated school district of attendance shall provide transportation to and from the child's temporary housing location and the school the child legally attends [if such temporary housing is located in a different attendance zone or community school district within such district] for the duration of homelessness and through the end of the school year in which the child becomes permanently housed and one additional year if that year constitutes the child's terminal year in the designated school.

(v) Where the designated school district of attendance has recommended that the homeless child attend a summer educational program and the lack of transportation poses a barrier to such child's participation in the summer educational program, the designated school district of attendance shall provide transportation.

(vi) The designated school district of attendance, or the social services district if such child is eligible for transportation from the social services district pursuant to Education Law, section 3209(4), shall provide or arrange for transportation to extracurricular or academic activities where:

(a) the homeless child participates or would like to participate in an extracurricular or academic activity, including an after-school activity at the school;

(b) the homeless child meets the relevant eligibility criteria for the activity; and

(c) the lack of transportation poses a barrier to such child's participation in the activity.

[(v)] (vii) Expenditures for the transportation of a parent accompanying a transported homeless child shall be eligible for transportation aid pursuant to section 3602(7) of the Education Law under the following circumstances:

STATEMENT OF FACTS AND CIRCUMSTANCES JUSTIFYING THE EMERGENCY

The proposed amendment to section 100.2(x) of the Regulations of the Commissioner of Education is necessary to timely implement the statutory changes to Education Law §3209, as amended by Chapter 56 of the Laws of 2017, to implement changes to McKinney-Vento made at the federal level as a result of the Every Student Succeeds Act.

A Notice of Emergency Adoption and Proposed Rule Making was published in the State Register on May 24, 2017. Following the 45-day public comment period required under the State Administrative Procedure Act, the Department received no comments on the proposed amendment. However, the Department has decided to make two technical amendments to the proposed amendment. As a result a Notice Emergency Adoption and Revised Rule Making will be published in the State Register on October 4,, 2017. Since the Board of Regents meets at fixed intervals, the earliest the proposed rule can be presented for regular (non-emergency) adoption, after expiration of the required 30-day public comment period provided for in the State Administrative Procedure Act (SAPA) for a proposed rulemaking, would be the November 2017 Regents meeting. Furthermore, pursuant to SAPA section 203(1), the earliest effective date of the proposed rule, if adopted at the November meeting, would be November 29, 2017, the date a Notice of Adoption would be published in the State Register. In order to have these provisions in effect prior to the next school year, emergency action is therefore necessary for the preservation of general welfare to conform to the provisions of the new law for the 2017-2018 school year and to provide school districts in New York State with sufficient notice

of the new requirements so that they can make educational placement decisions for homeless children and unaccompanied youth in the 2017-2018 school year and to ensure that the revised rule remains continuously in effect until it can be adopted as a permanent rule.
